FAIR SCHOOL FUNDING CAMPAIGN

School funding model

To the House of Commons.

The petition of residents of Maidstone & The Weald, with the support of Helen Grant MP,

Declares that the petitioners believe the existing school funding model in England is arbitrary and unfair; further declares that the ten best funded areas of England have on average received grants of £6,300 per pupil this year, compared to an average of £4,200 per pupil in the ten most poorly funded areas of England; and further declares that the petitioners welcome the Government's commitment to introduce fairer school funding.

The petitioners therefore request that the House of Commons supports the earliest possible introduction of a new National Funding Formula for schools in England.

And the petitioners remain, etc.
